College of Arts and Sciences
Lamar University
Department of Psychology
Guidelines for Tenure and Promotion

The purpose of this policy is to indicate the criteria, and decisionmaking process, the
below are the criteria for tenure and promotion. In short, these criteria are based upon sustained, high quality performance in teaching, research, and service, consistent
with the mission of Lamar University.

All numbered criteria listed below within each category (Teaching, Research, Service) are equally important and should be given more emphasis than the criterion of publication. In short, these criteria are based upon sustained, high quality performance in teaching, research, and service, consistent with the mission of Lamar University.
